EXHIBIT F

Mr. Greer made-up job description

VistA Imaging Coordinator

- 1. To have great communication and verbal skills.**
- 2. To be able to provide Imaging/RAD training within a Hospital System (meaning the ability to communicate at all levels with clinical and non clinical staff in a Hospital environment).**
- 3. Must be able to Organize and Implement projects at many different levels (either as a lead or a productive team member).**
- 4. Accomplishment of assigned projects in a timely manner. Keeping supervisor advised on project progress, problem areas and estimated completion dates.**
- 5. Must have the knowledge and discipline to interact with chiefs of different service lines as well as the front office (always put forth a professional image).**
- 6. Must have some clinical knowledge to be able to implement Clinical Service line within VistA Imaging/RAD.**
- 7. Must be involved with weekly Imaging/RAD calls at local and national level and be willing to share and help implement new ideas within the group.**
- 8. Must always interact, in a professional manner, with your counterpart the Imaging System Manager and keep him or her up to date.**
- 9. Provide weekly updates to your CIO and daily if needed.**
- 10. Make daily check with Radiology regarding any issues either pending or on the horizon.**
- 11. Make checks either weekly or daily on service line that have come up with or are about to come up with Imaging.**
- 12. Make sure that there is always an ongoing training process for Imaging/RAD that is taking place.**
- 13. Keep up with patches and updates that are being mandated nationally or from the VISN.**
- 14. Be a backup at some level to the Imaging System Manager (site dependent on CIO).**
- 15. Be able to work professionally with different vendors to work out any issues that can arise with implementation or ongoing support.**
- 16. Provide accurate and timely responses to requests for customer service in a courteous, tactful and helpful manner at all times.**
- 17. Be a positive influence on VistA Imaging/RAD.**
